"The UK's decision to leave the EU

On June 23, 2016, voters in the UK voted to leave the European Union ("EU") in a non-binding referendum. This caused significant volatility in the financial markets, including substantial declines in global stock prices and a steep devaluation of the British pound, although subsequently equity markets returned to pre-referendum levels. Following any formal notification by the UK of its decision to exit the EU, negotiations would commence to determine the future terms of the parties' relationship. This would include the renegotiation, either during a transitional period or more permanently, of a number of regulatory and other arrangements between the UK and the EU that directly impact the business of the Issuers."

"1. European Commission Statement of Objections re CDS

In July 2013, the Directorate General for Competition of the European Commission ("DG Comp") issued a Statement of Objections ("SO") to various entities of thirteen CDS dealer banks, certain Markit entities and the International Swaps and Derivatives Association, Inc. ("ISDA") in relation to its investigation into possible violations of competition law by certain CDS market participants. Certain Credit Suisse entities were among the named bank entities. The SO marked the commencement of enforcement proceedings in respect of what DG Comp alleged were unlawful attempts to prevent the development of exchange traded platforms for CDS between 2006 and 2009. In December 2015, DG Comp announced that it was closing the proceedings against the Credit Suisse entities and the other dealer banks. In July 2016, DG Comp announced the conclusion of the proceedings against the Markit entities and ISDA.

2. US Antitrust Class Action re CDS

US Antitrust Class Action re CDS. Certain Credit Suisse entities, as well as other banks, have been named in civil litigation in the US, currently pending in the US District Court for the Southern District of New York. In August 2015, Credit Suisse and the class action plaintiffs reached an agreement in principle to settle the action. In April 2016, the court granted final approval to the settlement agreement, entering final judgment and dismissing the action.

3. Rosserlane and Swinbrook v Credit Suisse International

CSi is the defendant in English court litigation brought by Rosserlane Consultants Limited and Swinbrook Developments Limited (the "claimants"). The litigation relates to the forced sale by CSi in 2008 of Caspian Energy Group LP ("CEG"), the vehicle through which the claimants held a 51 per cent. stake in the Kyurovdag oil and gas field in Azerbaijan. CEG was sold for USD 245m following two unsuccessful M&A processes. The claimants allege that CEG should have been sold for at least USD

700m. CSi is vigorously defending the claims, which it believes are without merit. The trial commenced in October 2014 and on 20 February 2015 the case was dismissed and judgment given in favour of CSi. The claimants are now appealing the judgment.

4. CSi is defending a EUR 170 million clawback claim brought by the Winding up Committee ("**WUC**") of Kaupthing Bank hf in the District Court of Reykjavik, Iceland. The claim relates to the issuance of ten credit-linked notes issued in 2008, which the WUC is seeking to challenge under various provisions of Icelandic insolvency law in order to claw back funds paid to CSi. The WUC is also claiming significant penalty interest under Icelandic law. CSi argues that the purchase of the credit linked notes is governed by English law, which does not provide a legal basis for such clawback actions. In October 2014, the Court of the European Free Trade Association States issued a non-binding decision supporting CSi's position that the governing law of the transactions is relevant. Separately, CSi is pursuing a claim for USD 226 million in the District Court of Reykjavik, Iceland against Kaupthing Bank hf's WUC in order to enforce certain security rights arising under a 2007 structured trade. CSi acquired the security rights following Kaupthing Bank hf's insolvency in 2008. A trial of both matters is currently expected to take place in 2017/2018.
5. CSi is the defendant in German court litigation brought by Stadtwerke Munchen GmbH, a German water utility company (the "claimant"). The litigation relates to a series of interest rate swaps entered into between 2008 and 2012. The claimant alleges breach of an advisory duty to provide both investor- and investment-specific advice, including in particular a duty to disclose the initial mark-to-market value of the trades at inception. The claimant seeks damages of EUR 39 million, repayment of EUR 184 million of collateral held by CSi and release from all future obligations under the trades. A preliminary hearing took place in February 2016, with further hearing dates expected in 2016/2017.

Provision for litigation is disclosed in Note 21 to the interim consolidated financial statements on page 31 (page 33 of the PDF) of the CSi 2016 Interim Report."

6. *Amendment to the section headed "General Information" in respect of CSi in each Prospectus*

The section headed "General Information" in each Prospectus (in each case (other than the Bonus and Participation Securities Base Prospectus), as amended up to, and including, the supplement dated 11 August 2016) shall be supplemented by deleting paragraph 8 therein, on (i) page 527 of the Trigger Redeemable and Phoenix Securities Base Prospectus, (ii) page 489 of the Reverse Convertible and Worst of Reverse Convertible Securities Base Prospectus, (iii) page 561 of the Put and Call Securities Base Prospectus and (iv) page 521 of the Bonus and Participation Securities Base Prospectus, and replacing it with the following:

- "8. There has been no material adverse change in the prospects of CSi and its consolidated subsidiaries since 31 December 2015, except as disclosed in the Form 6-K dated 23 March 2016.
